OCTOBER 1966

SUBJECT: L-105 and L-155 Ranger Transmissions

- I. The #5048 transmission as originally used in Model L-105 and L-155 Lawn Rangers are no longer available. However, current replacement transmissions for these models still carry the #5048 part number. They contain the parts listed in the following paragraph.
- II. In place of a #5048 transmission you can install a #5053 transmission plus the following parts:
- III. The #5577 axle and gear assembly used in the original #5048 transmission will be discontinued in September, 1966. In place of the #5577 axle and gear assemblies, the following parts should be used.

2-#6400 Hubs  
6-#6401 Wheel bolts  
2-#937022 Woodruff key  
2-#909554 Set screw  
2-#915113 Nylok nut

2-#3904 Rear axle	6-#6401 Wheel bolt
2-#3908 Axle gear	2-#937022 Woodruff key
2-#933217 Roll pin	2-#909554 Set screw
2-#6400 Hubs	2-#915113 Nylok nut
